August 21. P. M. The following Address was presented: To his Excellency Thomas Bladen, Esq; Governor of Maryland; The Humble Address of the House of Delegates.

May it please your Excellency,
HIS Majesty's Subjects, the People of this Province, are burthened with many Taxes and Charges, of which it requires our utmost Attention to find Ways and Means to ease them. And as there are, by many Acts and the Laws of this Province, sundry Fines and Forfeitures which we humbly conceive ought to be appropriated to the Support of Government; as also Amerciaments in the Provincial Court, an Account of the Disposal whereof hath not for many Years been rendered to the House of Delegates.

We therefore, pray, that your Excellency will order to be laid before this House Accounts of all the Fines, Forfeitures, and Amerciaments, that have arisen and been paid; and how, and to what Uses applied, in the Support of this Government, from the Year 1715 to this Time. EDWARD SPRIGG, Speaker.
